Cadet Identification Policy – 2018 European Cadet Championships and GB Futures Programme UPDATES HAVE BEEN MADE IN RED

The purpose of this document is to detail the process to be identified for the GB Cadet Futures squad in line with the GB Cadet strategy that has been developed in conjunction and supported by all four Home Nations. This policy will also include identification for the European Cadet Championship (ECC) leading up to the GB Cadet Futures.

3.4 Performance Behaviours

In order to perform at the highest level, talented players need to be able to display performance related behaviours alongside an excellent technical foundation.

Home Nation Cadet leads will evaluate players against the Performance Behaviour criteria in training camps and identified competitions.

Performance Behaviour Criteria

Performance Behaviours

Attendance at Home Nation training events

Attitude to training at Home Nation training events and camps

Resilience in challenging environments including randori, conditioning, international competition and training camps

Commitment to developing Throw for Ippon and Win in Newaza trademarks in training and competition

Current weight and the ability to safely make the fighting weight without weight cutting

Current level of physical fitness

Current and previous medical / injury history

An athlete's suitability as a team member and/or as an ambassador for the BJA (Note: when considering 'suitability', factors such as behaviour and previous disciplinary record will also be taken into account)

Identification factors

- A player's performance behaviours will be monitored by the Home Nation Cadet leads throughout the identification period.
- Performance behaviours is a subjective element of the identification policy, but an essential part of a player's development and in performance sport.
- Performance behaviours will be discussed after each GB Trademark Development Camp and used as the final component for selection to: European Cadet Championships and GB Cadet Futures training camp.
- Home Nation Cadet Leads will endeavour to highlight and discuss with players at the nearest possible opportunity when Performance Behaviours are not to an acceptable standard as part of the monitoring process.
- In the case where a player is not selected based on Performance Behaviours, the reasoning will be clearly defined and communicated by the Identification Panel to the player. The relevant Home Nation Cadet Lead will create an action plan for the player to work on the identified behaviours for future development.
- A players physical development during the Pre Cadet and Cadet years is extremely important and therefore would discourage players from cutting weight before competition. It is encouraged that players should maintain a healthy diet and physical preparation programme in order to maintain and progress physical capabilities working towards Pathway Framework and Trademarks.
