

BJA Ranking System and 2021 British Senior and Junior Squad Identification

The identification process to qualify for the British Senior Championships was modified in 2014 to include international competition results, and will continue to be a rolling two year list.

The BJA Senior Ranking System remains solely to identify players who will contest the British Senior Championships in December of each year of the current Olympic Cycle.

Only players who are eligible for GB Selection for International Competition can compete in the British Junior and Senior Championships.
